SOME OF SMOKE-FREE KINGS' SUCCESSES:

Smoke-Free Kings has celebrated many successes since 1994. We have...

- Supported youth in advocating for smoke-free spaces.
- Lobbied municipalities in Kings County for 100% smoke-free indoor public places bylaws. (The Towns of Berwick & Wolfville have implemented 100% smoke-free indoor public places bylaws.)
- Advocated for 100% smoke-free provincial legislation.
- Hosted the first provincial tobacco conference in 2001.
- Raised the profile of tobacco issues in Kings County.
- Surveyed local communities to obtain opinions on second-hand smoke.
- Studied youth smoking habits, including support for youth in making healthy lifestyle choices.
- Sponsored compliance checks on identifying sales of tobacco to minors by Kings County merchants.

MISSION OF SMOKE-FREE KINGS

SMOKE-FREE KINGS is an organization made up of professionals and volunteers committed to reducing harm related to tobacco use and exposure to tobacco smoke in Kings County.
